### PLEASE NOTE:

All bound inserts must have a milled edge of 4 mm in the binding, and they should have exactly 5 mm head, foot and side trim. Narrower and shorter bound inserts must be delivered with exact trimming at the side and foot. Bound inserts with a closed side (letter fold, tabernacle) may be no more than 207 mm wide (excluding the milled edge). The additions planned in this way should also be 10-12 mm narrower than the base sides (i.e. no more than 195-197 mm). When creating the bound insert, please take into account the optical absorption in the binding due to the adhesive binding.
